You can t always get it
When you really want it
You can t always get it at all
Just because there s space
In your life it s a waste
To spend your time why don t you wait for the call

(Just gotta get used to it)
We all get it in the end
(Just gotta get used to it)
We go down and we come up again
(Just gotta get used to it)
You irritate me my friend
(This is no social crisis)
This is you having fun

You can always get higher
 Just because you aspire
 You could expire even knowing.
 Don t push the hands
 Just hang on to the band
 You can dance while your knowledge is growing

 You can t expect to never cry
 (Patience is priceless)
 Not when you try to fly so high
 (Just stay on that line)
 Rock and roll will never die
 (This is no social crisis)
 This is you having fun

Another tricky day
 Another gently nagging pain
 What the papers say
 Just seems to bring down heavier rain
 The world seems in a spiral
 Life seems such a worthless title
 But break out and start a fire y all
 It s all here on the vinyl
 (No crisis)
