

Blue, Red And Grey
The Who

G **A**
Some people seem so obsessed with the morning
G **A**
Get up early just to watch the sun rise
G **A**
Some people like it more when there s fire in the sky
G **A**
Worship the sun when it s high
Em **B7**
Some people go for those sultry evenings
Em **B7** **Em**
Sipping cocktails in the blue, red and grey
Em7 **A7** **D** **Dsus4 D...**
But I like every minute of the day

G **F#m** **G** **F#m**
I like every second, so long as you are on my mind
G **Bbdim**
Every moment has its special charm
Em **A7sus4** **A7**
It s all right when you re around, rain or shine

I know a crowd who only live after midnight
Their faces always seem so pale
And then there s friends of mine who must have sunlight
They say a suntan never fails
I know a man who works the night shift
He s lucky to get a job and some pay
And I like every minute of the day

I dig every second, I can laugh in the snow and rain
I get a buzz from being cold and wet
The pleasure seems to balance out the pain

And so you see that I m completely crazy
I even shun the south of France
The people on the hill, they say I m lazy
But when they sleep, I sing and dance
Some people have to have the sultry evenings
Cocktails in the blue, red and grey
But I like every minute of the day

G **A7** **D** **Dsus4 D** **Dsus4 D** **Dsus4 D** **Dsus4 D**
I like every minute of the day
