Or search for a place where the wind was gone

Did you ever tramp up endless hills
Past cosy homes with secret beds

Did you ever have to make a draw
For a hard wooden bench or a bed of stone
Did you ever jimmy a stable door and scare the horse to escape the snow

Did you ever invade a neat little yard
And wake up the kids who hope for ghosts
Did you ever cause their dogs to bark
At guests to curse their noisy hosts

Don't jump in expecting fun
Don't swagger in there with your elephant gun
Don't enter the cage with wavin' chairs
Cause I'll tell you something for nothing
There ain't no bears in there (cache cache)
Not a single bear in there (cache cache)
