Did you steal my money?            Did you steal my money?

Are you out there, Mr. no one?  
Are my investments growing?  
Sorry that I got so drunk, but I wrote you a poem

Did you search me? Did you turn me over?  
While I cold-turkeyed on the sofa?

Did you steal my money? Did you steal my money?

Did you know that poor old veteran that you kicked right out of his bed  
:A7sus4                      :A7                      :A7sus4                      :A7  
He says that he cannot forget you, but he does not wish you dead  
:A7sus4                      :A7  
Just leave his gold watch in reception  
:A7sus4                      :A7
