E
Each time we come here

A6
I say we ll never come here again

E
Each time we make love

A6
I say we ll never make love again

A C4 B
But my little greyhound girl

E
You got me running down the flat

D C4 B E
My little greyhound girl, I m in your trap

E F4 E F4

Each time we ride out
I say we ll never ride out again
And when we kiss
I say we ll never, never kiss again

But my little greyhound girl
You got me running down the flat
My little greyhound girl, I m in your trap
