Ahh.. Heatwave...

Whenever I m with you, something inside (something inside)  
Starts to burn deep and my heart s filled with fire  
Could be that I m very sentimental  
Or is this just the way love s supposed to be

{Chorus}

A D/A.....

I got a heatwave burning in my heart  
I can t keep from crying, tear me apart

Whenever she calls my name  
Yeah, yeah, yeah, I can t explain  
I feel, yeah, I feel  
Yeah, I feel this burning pain  
Has high blood pressure got a hold on me  
Or is this just the way love s supposed to be

{repeat Chorus}

Ooh...

Sometimes I d see her face  
It is all over the place  
I can t explain it, don t understand it  
I ain t never felt this way before  
Yeah, has this funny feeling got me amazed  
My head s in a whirl  
And my mind s in a haze

{repeat Chorus}

Oh, yeah...  
Oh, yeah...  
I ve got time now  
Don t miss another chance

This could be a new romance

{repeat Chorus}

{version 1 fade out}
