C Csus4  
 I m a billion ages past you  
 C Csus4  
 A million years behind you too  
 Bb G  
 A thousand miles up in the air  
 Bb G G6 G7  
 A trillion times I ve seen you there

C Csus4  
 Your hair is golden, mine is grey  
 C Csus4  
 You walk on grass, it turns to hay  
 Bb G  
 Your blood is blue and your eyes are red  
 Bb G G6 G7  
 My body strains, but the nerves are dead

You drink champagne and past me plough

You fly your plane right over my head

You're so alive and I'm nearly dead
