```
{verse}
E                D      Dsus4 D
Come along into the city
                C
Where the girls are pretty
                B      (B/A..B/Ab..B/G.B/F#^ )
And you can t go wrong
```

Take your time  
No need to hurry  
Don t have to worry  
Cause it won t take long

```
                A
Well, you can surf in the sea and
                D
You can swim in the pools
(in the city in the city..)
                A
Do anything you wanna
                D
Cause there ain t no rules
                A                D
Drive your Super Stock Cobra to the long highways
                E
And you can drag
```

```
A                D
In the city everybody s right
A                D
The kids are hip and they can dance all night
A                D                B
In the city all the girls are pretty and they go
```

{break; verse pattern}

Come along into the city  
Where the girls are pretty  
And you can't go wrong

Well, you can surf in the sea and  
You can swim in the pools  
Do anything you wanna  
Cause there ain't no rules  
Drive your Super Stock Cobra to the long highways  
And you can drag

In the city everybody's right  
The kids are hip and they can dance all night  
In the city all the girls are pretty and they go
