```
{verse}
Eb                   C#      C#sus4 C#
Come along into the city
                     B
Where the girls are pretty
                 Bb       (Bb/A..Bb/Ab..Bb/G.Bb/F#^)
And you can t go wrong

Take your time
No need to hurry
Don t have to worry
 Cause it won t take long

             G#
Well, you can surf in the sea and
        C#
You can swim in the pools
(in the city in the city..)
   G#
Do anything you wanna
             C#
 Cause there ain t no rules
          G#                      C#
Drive your Super Stock Cobra to the long highways
            Eb
And you can drag

G#               C#
In the city everybody s right
G#                           C#
The kids are hip and they can dance all night
G#               C#                          Bb
In the city all the girls are pretty and they go

{break; verse pattern}
```

Come along into the city
Where the girls are pretty
And you can t go wrong

Well, you can surf in the sea and
You can swim in the pools
Do anything you wanna
 Cause there ain t no rules
Drive your Super Stock Cobra to the long highways
And you can drag

In the city everybody s right
The kids are hip and they can dance all night
In the city all the girls are pretty and they go

Eb

      Eb   C#
In the city (into the city)
In the city (into the city)
