{verse}
F#                       E       Esus4 E
Come along into the city
                     D
Where the girls are pretty
                 C#        (C#/A..C#/Ab..C#/G.C#/F#^)
And you can t go wrong

Take your time
No need to hurry
Don t have to worry
 Cause it won t take long

              B
Well, you can surf in the sea and
       E
You can swim in the pools
(in the city in the city..)
   B
Do anything you wanna
            E
 Cause there ain t no rules
          B                     E
Drive your Super Stock Cobra to the long highways
           F#
And you can drag

B               E
In the city everybody s right
B                         E
The kids are hip and they can dance all night
B               E                        C#
In the city all the girls are pretty and they go
