I read your letter and the things you say
 You said power chords are all that we should play
 Well, this is what you re gonna eat today, Virginia

Cause if power chords are what you say you need
 Well, look inside you body, baby, you will see

D D D D A...

That man and [egg?] and flying seed is in ya

You got it in ya

And if you depend on me to make you rock and roll
 Well, you better look out, titch, because we re gettin old
 Look inside and check out your neglected soul, Virginia

Cause I can seem to dance all night alone unseen
 Or VIP and fight down at the Music Machine
 But as for you, the place to look for rock and roll is in ya

Hmm, you got it in ya

[repeat intro]

You got it in ya

You know you got it in ya.. it s in ya... ooh, you got it in ya

Your letter came and today is the eighth
This is the day that Moonie earned his wraith
And it makes me want to tell ya stuff on letters, dear Virginia

And if you really care then better stay awake
Check me out again, baby, and say that I m a fake
And you can then forsake the part of me that s in ya
Oh, it s in ya

[repeat intro]

Oh, now you got me in ya... oh yeah, it s all in ya
Can you feel it in ya? Ooh

E **D**
You ve got it in ya, you ve got it in your heart
E **D** **E**
You got it in ya, I m just a tiny part of what is in ya
D **E**
Please remember, darling, sweet Virginia

[interlude]

D ||:A A6 A7 A6 :||
That everything you need s already in ya

[palm mute]

Well, I ll forgive completely all your lack of tact
My patience holdin out and it s a hard-earned fact
That I could easily buy your time, dearest Virginia

Hmm, but you will always give me just a one more chance
You ll hang around and ask me for a chance to dance
But I can t make you jump, baby, if it ain t in ya

You ve got it in ya, you ve got it in your heart
You got it in ya, you know, I m just a tiny part of what is in ya
Please remember, darling, sweet Virginia
Everything you need s already in ya

[repeat intro, fade]

Oh, yeah, you ve got it in ya...
You got it in ya
Hey, titch
Toe rag

Hmm, tosser

You got me in ya, hmmm

You got it, got it in ya

Ooh, you know it s in ya
