[verse; with intro strumming pattern]

C.... C....

Let s see action, let s see people

Bb F C....

Let s see freedom, let s see who cares

Take me with you when you leave me

And my shell behind us there.

I have learned it, known who burned me,

Avatar has warmed my feet

Take me with you, let me see you,

Time and life can meet

Nothing is everything, everything is, nothing is

Please the people, audiences,

Break the fences,

Nothing is

[chorus; note: acoustic continues intro pattern during chorus]
