

Pure and Easy
The Who

Intro:(C C7+ C6 C7+)

(C C7+ C6 C7+)
There once was a note, pure and easy,
Playing so free like a breath rippling by.

F7+ F9
The note is eternal, I hear it, it sees me,
F7+ F9 (C C7+ C6 C7+)
Forever we blend it, forever we die.

C Dm F G
I listened and I heard music in a word,
C Dm F G
And words when you played your guitar.
D Em G Am
The noise that I was hearing was a million people cheering,
G G4 G G4
And a child flew past me riding in a star.

A4
As people assemble,
D G G7 G6 G G7 G6
Civilization is trying to find a new way to die.
Am E4
But killing is really merely scene changer,
Am Am7 Am6 Am Am7 Am6
All men are bored with other men s lives.

C Dm F G
I listened and I heard music in a word,
C Dm F G
And words when you played your guitar.
D Em G Am
The noise that I was hearing was a million people cheering,
G G4 G G4
And a child flew past me riding in a star.

A4 D
Gas on a hillside, oil in the teacup,
G G7 G6 G G7 G6
Watch all the chords of life lose their joy.
Am E4
Distortion becomes somehow pure in its wildness,

Am **Am7** **Am6** **Am** **Am7** **Am6**
The note that began all can also destroy.

(**Am C/A F7+/A G6/A**)

We all know success when we all find our own dreams,
And our love is enough to knock down any walls.
And the future s been seen as men try to realize,
The simple secret of the note in us all.

C **Dm** **F** **G**
I listened and I heard music in a word,
C **Dm** **F** **G**
And words when you played your guitar.
D **Em** **G** **Am**
The noise that I was hearing was a million people cheering,
G **G4** (**G** **G4**)
