Now there s ten steps, that I must climb to get up to my home

Every day as I climb,

I count them as I go.

I count 1, 2, 3, 4, 5 and 6

7, 8, 9, 10.

He counts 1, 2, 3, 4, 5 and 6

7, 8, 9, 10.

And when I get up to the top,

I climb back down again.

I count 10, 9, 8, 7, 6, 5, 4

3, 2 and 1.

He counts 10, 9, 8, 7, 6, 5, 4

3, 2 and 1.

Counting as I climb the stairs

Is so much fun.
