

Cant Cry Hard Enough
The Williams Brothers

[Verse]

I m gonna live my life
Em **Am**
Like every day s the last
G **F**
Without a simple goodbye
Em **G** **C**
It all goes by so fast

But now that you re gone
Em **Am**
I can t cry hard enough
G **F**
No, I can t cry hard enough
Em **G** **C**
For you to hear me now

Gonna open my eyes
Em **Am**
And see for the first time
G **F**
I ve let go of you like
Em **G** **C**
A child letting go of his kite

[Chorus]

There it goes
Am
Up in the sky
G
There it goes
C
Beyond the clouds
F
For no reason why
C G
I can t cry hard enough
Am
G **F**
No, I can t cry hard enough
Em **G** **C**
For you to hear me now

[Verse]

C

Gonna look back in vain

Em Am

See you standing there

G F

And all that remains

Em G C

Is just an empty chair

C

And now that you re gone

Em Am

I can t cry hard enough

G F

No, I can t cry hard enough

Em G C

For you to hear me now
