(Verse 1)

Bm **A** **Bm**
Well once upon a wilderness in Canaan s promise land
F#m
God revealed to Abraham the judgment he had planned
Bm **A** **Bm**
For the wicked fallen people there who lived there in the bale
A **F#m** **Bm**
He was going to rain a city wide with brimstone and hail

(Verse 2)

Bm **A** **Bm**
Now looking over Sodom with a clear unhindered view
F#m
Abraham stepped forward to ask God if he ought to
Bm **A** **Bm**
Pointing out the chance that there might be an upright man
A **F#m**
Living there is Sodom dear old Abraham began

(Chorus)

Bm **F#m** **A**
Would you give them one more chance father please
Bm **F#m** **A**
For I know they ve sinned against your just decrees
Bm **F#m**
But if there s 50 righteous men
A **F#m**
would you stop and think again
G **A** **Bm**
would you spare that city down below (down below)
G **A** **Bm**
would you spare that wicked city down below

(Verse 3)

Bm **A** **Bm**
Well the mighty Lord agreed to this and said he d stay his hand
F#m

If the said amount of righteous men were living in the land

Bm **A** **Bm**
So encouraged by this guarantee and found mercy kind
A **F#m**
Abraham went further still for his changed his mind

(Chorus)

Bm **F#m** **A**
Would you give them one more chance father please
Bm **F#m** **A**
For I know they ve sinned against your just decrees

A **F#m**
would you stop and think again
G **A** **Bm**
would you spare that city down below (down below)
G **A** **Bm**
would you spare that wicked city down below

(Verse 4)

Bm **A** **Bm**
This request was granted surely mighty God had spoken true
F#m
He d forgive them all the folly if he found a holy few
Bm **A** **Bm**
But Abraham protested there might be a couple less
A **F#m**
Please don t be angry if I make another guess

(Chorus)

Bm **F#m** **A**
Would you give them one more chance father please
Bm **F#m** **A**
For I know they ve sinned against your just decrees
Bm **F#m**
But if there s 30, 20, 10
A **F#m**
would you stop and think again
G **A** **Bm**
would you spare that city down below (down below)
G **A** **Bm**
would you spare that wicked city down below

(Bridge)

Bm **A** **Bm**
Well nowadays it seems we can do just as we please
Bm **F#m**
An no one s gonna stop us now or force us to our knees

Bm **A** **Bm**
It seems like we've forgotten that the God of Canaan's land
A **F#m**
Is still the judge in heaven holding mercy in His hand

(Outtro)

Bm **F#m** **A**
So would you give us one more chance father please
Bm **F#m** **A**
For I know we've sinned against your just decrees
Bm **F#m**
But if save these broken men
A **F#m**
We'll rise up to walk again
G **A** **Bm**
would you save this city down below (down below)
G **A** **Bm**
would you save this wicked city down below
