The Wind and The Wave

[Verse 1]

Why don t you listen **G**
When I tell you I can see from the outside **Em**
And it don t look good to me
You were wrong, you were wrong, you were wrong **C**
You should have walked away **G**

[Verse 2]

I know it s hard sometimes **G**
To do the things you know you should **Em**
It s a thin line
And you want to do what feels good **C**
I don t blame you, I don t blame you **G D**
Skin and bones, skin and bones

[Chorus]

You break your own heart in half **G**
You fall in love too fast **Em**
You fall in love too fast **C**
You fall in love too fast **G D**
