**The Wolfe Tones**

THE WOLFE TONES  
CELTIC SYMPHONY  
Words & Music by Brian Warfield & friends

[Verse 1]

**Am**  
It was far across the sea,  
  
When the devil got a hold of me,  
**G**  
He wouldn't set me free,  
**Am**  
So he kept me soul for ransom.

Na na na na na...

[Verse 2]

**Am**  
I'm a sailor man from Glasgow town,  
**G** **C**  
I've sailed this world around and round,  
**Am**  
He's the meanest thing that I have found,  
**C** **G** **Am**  
In all me days of wandering.

Na na na na na...

[Verse 3]

**Am**  
And I could see his evil eyes,  
**G** **C**  
But instead he took me by surprise,  
**Am**  
Take me to your paradise,  
**C** **G** **Am**  
I want to see the jungle!

Na na na na na...

[Bridge]

**Am** **C** **G**  
Here we go again, we're on the road again  
**C** **G**  
We're on the road again, we're on the way to paradise.  
**C** **G**
