

**On The One Road**  
**The Wolfe Tones**

ON THE ONE ROAD

[Chorus]

We re on the [G] one road, sharing the one load  
We re on the [C] road to [G] God knows [D] where  
We re on the [G] one road, it may be the [Em] wrong road  
But we re [Am] together now who [D] cares [G]  
North men, South men, [Em] comrades all [Am]  
Dublin, Belfast, [D] Cork and Donegal  
We re on the [G] one road swinging [Em] along,  
Singing a [Am] sol[D]dier s [G] song

[Em] Though we ve had our troubles now and then  
[G] Now is the time to make them up again  
[Em] Sure aren t we all Irish anyhow [  
Am] Now is the time to step [D] together now
