

Jump Into The Fog  
The Wombats

JUMP INTO THE FOG - The Wombats

99% correct, hope you like it ;)

Intro:

```
e|-----|
B|-5-4-----|
G|-----3-----6-4-1--|
D|-----|
A|-----|
E|-----|
```

**B F# A E**  
**G#m F# A E**

Verse 1:

**B C#m E**  
What a great achievement it was to get a hotel room this late  
**B C#m E**  
I bet they charge by the hour here, the kind of place where you should bring  
your own UV ray  
**B C#m E**  
It s not a big problem with me, love, you don t look that hygienic anyway  
**B C#m E**  
I m only here because I want to twist the structure of my average day

Pre-chorus = intro

Chorus:

**B C#m**  
We feel nothing so jump into the fog  
**A C#m E**  
You know that we hit the ground upright  
**B C#m**  
We feel nothing so jump into the fog  
**A C#m E**  
I just hope it s your bones that shatter not mine  
**B C#m**  
We feel nothing so jump into the fog  
**A C#m E**  
You know that we hit the ground upright  
**B C#m A C#m E**

We feel nothing so jump into the fog

Verse 2:

**B**                    **C#m**                    **E**  
What a great achievement it was, to find someone who shirks such little  
self-restraint

**B**                    **C#m**                    **E**  
I m a non believer but I believe in these dirty little wicked games

**B**                    **C#m**                    **E**  
Snakes and ladders abandoned here love, the climb s too rough to slide back down  
again

**B**                    **C#m**                    **E**  
I m only here because I feel the day deserves a truly sordid end

Pre-chorus = intro

Chorus:

**B**                    **C#m**  
We feel nothing so jump into the fog

**A**                    **C#m**    **E**  
You know that we hit the ground upright

**B**                    **C#m**  
We feel nothing so jump into the fog

**A**                    **C#m**                    **E**  
I just hope it s your brains that splatter not mine

**B**                    **C#m**  
We feel nothing so jump into the fog

**A**                    **C#m**    **E**  
You know that we hit the ground upright

**B**                    **C#m**                    **A**    **C#m**    **E**  
We feel nothing so jump into the fog

Bridge:

**F#m**                    **A**                    **E**                    **G#m**  
I ve made some bad decisions, I ll admit that freely

**F#m**                    **A**                    **E**                    **G#m (Gm)**  
It s just that life tastes sweeter when it s wrapped in debauchery

**F#m**                    **A**  
So drop your map, drop your plans, drop that five-step program

**E**                    **G#m**  
Because there s not an ounce of faith in this leap

**F#**                    **A**                    **E**  
It s clear you feel nothing so jump into the fog with me

Jump in, jump in, jump in

Solo: (tremolo picking)

e|-----|

B | ----- |  
G | ----- |  
D | --9--11-8-----7--9--6---- |  
A | ----- |  
E | --7--9--6-----5--7--4---- |

**B F# A E**

**G#m F# A E**

That s all

Greets from Poland ;)
