G

Let s dance to joy division,

Bm

And raise our glass to the ceiling,

F

Cos this could all go so wrong,

Cm7

But we re so happy,

Cm7

Yeah we re so happy.

G

So if your ever feeling down,

Bm

Grab your purse and take a taxi,

F

To the darker side of town,

C

That s where we ll be,

G

Bm

And we will wait for you and lead you through the dancefloor,

F

Up to the D.J booth,

C

You know what to ask for,

Bm

I ve found the cure for a broken heart,

F

Let it tear us apart,

C

Bm

Let it tear us apart,

F
