

Moving To New York
The Wombats

[Verse 1]

Am Em G D
I ve just had the craziest week,
Am Em G D
Like a party bag of lies, booze and then deceit.
Am Em G D
And I don t know why I want to voice this out loud,
Am Em G D
It s theraputic somehow.

[Chorus]

C G Em D
So I m moving to New York cos I ve got problems with my sleep,
Am Em G D
And we re not the same and I will wear that on my sleeve.
C G Em D
So I m moving to New York cos I ve got issues with my sleep,
Am Em G D C
Looks like Christmas came early, Christmas came early for me.

[Verse 2]

Am Em G D
I put one foot forward and ended up thirty yards back.
Am Em G D
And am I losing touch or am I just completely off the track?
Am Em G D
And I don t know why I want to voice this out loud,
Am Em G D
It s theraputic somehow.

[Chorus]

C G Em D
So I m moving to New York cos I ve got problems with my sleep,
Am Em G D
And we re not the same and I will wear that on my sleeve.
C G Em D
So I m moving to New York cos I ve got issues with my sleep,
Am Em G D C
Looks like Christmas came early, Christmas came early for me.
