

Moving To New York
The Wombats

[Verse 1]

Bbm Fm G# Eb
I ve just had the craziest week,
Bbm Fm G# Eb
Like a party bag of lies, booze and then deceit.
Bbm Fm G# Eb
And I don t know why I want to voice this out loud,
Bbm Fm G# Eb
It s theraputic somehow.

[Chorus]

C# G# Fm Eb
So I m moving to New York cos I ve got problems with my sleep,
Bbm Fm G# Eb
And we re not the same and I will wear that on my sleeve.
C# G# Fm Eb
So I m moving to New York cos I ve got issues with my sleep,
Bbm Fm G# Eb C#
Looks like Christmas came early, Christmas came early for me.

[Verse 2]

Bbm Fm G# Eb
I put one foot forward and ended up thirty yards back.
Bbm Fm G# Eb
And am I losing touch or am I just completely off the track?
Bbm Fm G# Eb
And I don t know why I want to voice this out loud,
Bbm Fm G# Eb
It s theraputic somehow.

[Chorus]

C# G# Fm Eb
So I m moving to New York cos I ve got problems with my sleep,
Bbm Fm G# Eb
And we re not the same and I will wear that on my sleeve.
C# G# Fm Eb
So I m moving to New York cos I ve got issues with my sleep,
Bbm Fm G# Eb C#
Looks like Christmas came early, Christmas came early for me.
