

Moving To New York
The Wombats

[Verse 1]

Bm **F#m** **A** **E**
I ve just had the craziest week,
 Bm **F#m** **A** **E**
Like a party bag of lies, booze and then deceit.
 Bm **F#m** **A** **E**
And I don t know why I want to voice this out loud,
Bm **F#m** **A** **E**
It s theraputic somehow.

[Chorus]

D **A** **F#m** **E**
So I m moving to New York cos I ve got problems with my sleep,
 Bm **F#m** **A** **E**
And we re not the same and I will wear that on my sleeve.
 D **A** **F#m** **E**
So I m moving to New York cos I ve got issues with my sleep,
 Bm **F#m** **A** **E** **D**
Looks like Christmas came early, Christmas came early for me.

[Verse 2]

Bm **F#m** **A** **E**
I put one foot forward and ended up thirty yards back.
 Bm **F#m** **A** **E**
And am I losing touch or am I just completely off the track?
 Bm **F#m** **A** **E**
And I don t know why I want to voice this out loud,
Bm **F#m** **A** **E**
It s theraputic somehow.

[Chorus]

D **A** **F#m** **E**
So I m moving to New York cos I ve got problems with my sleep,
 Bm **F#m** **A** **E**
And we re not the same and I will wear that on my sleeve.
 D **A** **F#m** **E**
So I m moving to New York cos I ve got issues with my sleep,
 Bm **F#m** **A** **E** **D**
Looks like Christmas came early, Christmas came early for me.
