

Party In A Forest  
The Wombats

**G** **Em**  
Am I in a scene from Midsummer Nights Dream ?

**C** **D**  
I thought raves like these died in the 90 s?

**G** **Em** **C** **D**  
The forest is breathing along with us tonight

**G** **Em**  
Upper class thugs take middle class drugs

**C** **D**  
And we all get lowered in size

**G** **Em** **C** **D**  
This is not my scene, I should not be here tonight

**G** **Em**  
Laura, ooh-oh ooh-oh

**G** **Em**  
Laura, ooh-oh ooh-oh

**G** **Em** **C** **D**  
Laura, you can get me home tonight

**G** **Em** **C** **D**  
Trance music bangs a comical dance of cardboard boxes and fish

**G** **Em** **C** **D**  
We re the fairies from hell and we re all on a Deathwish

**G** **Em**  
This is not my scene, this is killing me

**C** **D**  
I don t want to be here tonight

**G** **Em** **C** **D**  
And the girl who can save me s well across the Pennines

**G** **Em**  
Laura, ooh-oh ooh-oh

**G** **Em**  
Laura, ooh-oh ooh-oh

**G** **Em** **C** **D**  
Laura, you can get me home tonight
