

**Walking Disasters**  
**The Wombats**

Capo 1st fret

**G** **Am** **Em** **C**  
She used to get her kicks from a fall to the floor  
**G** **Am**  
But now she s always wasted  
**Em** **C**  
A total looker, but she s jaded  
**G** **Am** **Em C**  
The kind of shivering wreck that I adore  
**G** **Am**  
I can t offer you a rescue  
**Em** **C**  
But I can tell you what I d do

**G** **Am**  
I d tell my mother that I love her dearly  
**Em** **C**  
And tell my father that I need him back again  
**G** **Am**  
And if these words wont drop from your lips  
**Em** **C**  
I will be your Freudian slip

**G** **Am**  
And flowers might wilt when we walk past  
**Em** **C**  
And self-help might help when it makes us laugh  
**Em** **Am**  
Only finding questions in answers  
**Em** **C**  
You and I are just walking disasters (x3)

**G** **Am** **Em C**  
She only finds her love in a downtown store  
**G** **Am**  
Consumption makes her stronger  
**Em** **C**  
You re the sweetest anaconda  
**G** **Am** **Em C**  
The kind of lack of respect that I adore  
**G** **Am**  
I cant offer you a rescue  
**Em** **C**  
But when you ve lost all that you have left to lose

**G** **Am**

I d tell my mother that I love her dearly  
**Em** **C**  
And tell my father that I need him back again  
**G** **Am**  
And if these words wont drop from your lips  
**Em** **C**  
I will be your Freudian slip

**G** **Am** **Em C**  
As sharp as a knife and as blunt as a wheel  
**G** **Am** **Em C**  
You be my calm I ll be your pneumatic drill  
**G** **Am** **Em C**  
And what we ll never want, we ll always need  
**Em** **Am** **Em**  
Right now we need some pop psychology  
**C**  
To keep us up-beat

**G** **Am**  
So tell your mother that you love her dearly  
**Em** **C**  
And tell your father your won t lock him out again  
**G** **Am**  
And if these words wont drop from your lips  
**Em** **C**  
I will be your Freudian slip

**G** **Am**  
And flowers might wilt when we walk past  
**Em** **C**  
And self-help might help when it makes us laugh  
**G** **Am**  
Only finding questions in answers  
**Em** **C**  
You and I are just walking disasters (x5)
