

The Size Of A Cow
The Wonder Stuff

Song: The Size of a Cow
Artist: The Wonder Stuff
Tabbed By: Jefferson Humber
Date: 01-SEP-2005

This is a classic tune, and sounds great on the acoustic guitar.
Couldn't find a tab anywhere for this, so worked it out myself.

Play barre chords throughout, except for the bridge which sounds better in open chords.

[Intro]

B A G D G A G D G (G#) A

[Verse 1]

B Don't you think it's funny that nothing's what it seems **A**

When you're not looking forward

B Me I'd like to think that life is like a drink
A And I'm hoping that it tastes like bourbon **(Bb) B**

[Bridge]

G You know that I've been drunk a thousand times **D C**
G And these should be the best days of my life **D C**

Life it's not what I thought it was

[Chorus]

A Damn blast look at my past **G**
D I'm ripping up my feet over broken glass **G**
A I said oh wow look at me now **G**
D I'm building up my problems to the size of a cow **G**
A G D G (G#) A
Aah Aah...the size of a cow

[Interlude]

B A B A

[Verse 2]

B **A**

You know it would be strange to live life in a cage

And only believe the things you see that are written on the page

B

How easy would it be home in time for tea

A **(Bb) B**

And stop feeling like a sailboat rocking on the sea

[Bridge]

G **D** **C**

You know that it s been sunk a thousand times

G **D** **C**

And these should be the best days of my life

Life it s not what I thought it was

[Chorus]

A **G**

Damn blast look at my past

D **G**

I m ripping up my feet over broken glass

A **G**

I said oh wow look at me now

D **G**

I m building up my problems to the size of a cow

A G D **G (G#) A**

Aah Aah...the size of a cow
