

Logan Circle A New Hope
The Wonder Years

[Verse 1]

D **Bm** **A**
They turned on the fountain today as I rode down 19th to Logan Circle

G
I felt something in me change

D **Bm** **A**
And I was thinking about how we all feel its been down

G
The world s not that bad of a place

G **A**
We just can t blame the seasons

D **Bm** **A**
The Blue Man Group won t cure depression

G **A** **D**
But Arrested Development might if we let it

G **A**
And you should come by at eleven

D **Bm** **A**
We re 533 on Manton

G **A** **D**
I haven t thought that much about high school in ages

And I can t pretend

[Chorus]

G **A** **F#m** **G**
I m afraid that we re wasting away

G **A**
We re all sleeping in circles

D
Or talking shit in diners

G **A** **F#m** **G**
And I ve been better but I m feeling okay

G **A** **D**
I m not even sad anymore

A **F#m** **G**
I m just so tired most nights

[Verse 2]

D **Bm**
Well I ve been drowning my sorrows in Lucky Charms and soy milk

A **G**
For the record, I m not vegan, I just prefer the taste

D **Bm**
We re getting pretzels with Fireworks at midnight
A **G**
And I don t need maps, the sidewalk cracks this way

G **A** **D**
We wrote The Upsides in my basement
Bm **A**
And pissed off all the neighbors
G **A** **D**
Jess and I barely slept when they had sex
G **A**
This street has seen much worse
D **Bm** **A**
Than some fucking pop-punk band and
G **A** **D**
I used to hate it, but I miss it since I left

[Chorus]

G **A** **F#m** **G**
I m afraid that we re wasting away
G **A**
We re all sleeping in circles
D
Or talking shit in diners
G **A** **F#m** **G**
And I ve been better but I m feeling okay
G **A** **D**
I m not even sad anymore
A **F#m** **G**
I m just so tired most nights

[Bridge]

G **A** **F#m** **G**
They turned on the fountain today at Logan Circle
G **A** **D**
They turned on the fountain today
G **A** **F#m** **G**
They turned on the fountain today at Logan Circle
G **A**
I felt something in me...

[Outro]

G **A** **F#m** **G**
I m afraid that we re wasting away
G **A**
I m afraid
G **A** **F#m** **G**
So I m afraid that we re wasting away
G **A** **D**

We re all sleeping in circles or talking shit in diners

G A F#m G

And I ve been better but I m feeling okay

G A D A G

I m not even sad anymore
