

Logan Circle  
The Wonder Years

DBm  
They turned on the fountain today at Logan Circle  
AG  
I felt something in me change  
DBm  
I was thinking about how we all feel  
AG  
But the worlds not such a shitty place  
GA  
We just can t blame the seasons  
DBm A  
The Blue Man Group won t cure depression  
GA D  
I can see we brought it on ourselves with bad attitudes and  
GA  
You should come by at eleven  
DBm A  
You haven t seen the new apartment  
GA D  
We ll laugh about the shit we got into in high school  
and I can t pretend  
G AF#m G  
I m afraid that we re wasting away  
GA  
Cause we re all sleeping in circles  
D  
or talking shit in diners  
GA F#m G  
and I ve been better, but I m feeling okay  
GA  
I m not even sad anymore  
DA  
I m just so tired most nights  
D  
And I ve been drowning my sorrows  
Bm  
In Lucky Charms and Soy Milk  
AG  
These are the things that keep me sane  
DBm  
Getting pretzels at midnight behind my house  
AG  
At the price you, can t complain  
GA  
We set off fireworks

**D** **Bm** **A**  
Pissed off the whole neighborhood  
**G** **A** **D**  
They keep me up having sex anyway  
**G** **A**  
This stoop has seen much worse  
**D** **Bm** **A**  
We ll set off a few more  
**G** **A** **D**  
Maybe I ll blow off a piece of this city I hate

Chorus

They turned on the fountain today at Logan Circle  
**G** **A** **D**  
They turned on the fountain today  
**G** **A** **F#m** **G**  
They turned on the fountain today at Logan Circle  
**G** **A** **D**  
I felt something in me change

Chorus
