

There There
The Wonder Years

Artist: The Wonder Years

Album: The Greatest Generation

Song: There, There

This song is really calm and mellow but gets really heavy. Here are my interpretation of the chords. Enjoy!

You re just trying to read but I m always standing in your light.

G **C**

You re just trying to sleep but I always wake you up to apologize.

[Chorus]

Em G C D
I m sorry I don t laugh at the right times.

Em G C D x3

[Verse]

G **C**

I know how it seems when I always sing to myself in public.
I babble on like a mad man.

G **C**

I know how it seems when I m always staring off into nothing.
I m lost in my head again.

[Chorus]

I m sorry I don t laugh at the right times.

Em G C D

Em G C D
Is this what it feels like?

[Verse]

C

I ve got my heart strung up on clothing line through tenement windows in mid-July.

G

I ve got my heart strung up on clothing line through tenement windows.

[Chorus]

Em G
I m sorry I don t laugh at the right times.

C D Em G C D
Is this what it feels like with my wings clipped?

Em G C D
I m awkward and nervous.

Em G C D
I m awkward and nervous.

It s a little rough at the end, but listen to it and read along and it should be comprehensible.
