

Album: The Greatest Generation

This song is really calm and mellow but gets really heavy. Here are my interpretation of the chords. Enjoy!

[Verse]

**G** **C**

You re just trying to sleep but I always wake you up to apologize.

Em G C D  
I m sorry I don t laugh at the right times.

[Verse]

**G** **C**

I know how it seems when I m always staring off into nothing.  
I m lost in my head again.

I m sorry I don t laugh at the right times.

Em G C D  
Is this what it feels like?

**G** **C**

I ve got my heart strung up on clothing line through tenement windows in mid-July.

[ Chorus ]

Em G  
I m sorry I don t laugh at the right times.

C        D                    Em        G        C        D  
Is this what it feels like with my wings clipped?

Em G C            D  
I m awkward and nervous.

Em G C            D  
I m awkward and nervous.

It s a little rough at the end, but listen to it and read along and it should be comprehensible.
