

**There There
The Wonder Years**

Artist: The Wonder Years
Album: The Greatest Generation
Song: There, There

This song is really calm and mellow but gets really heavy. Here are my interpretation of the chords. Enjoy!

Capo 1

[Verse]

You re just trying to read but I m always standing in your light.

You re just trying to sleep but I always wake you up to apologize.

[Chorus]

I m sorry I don t laugh at the right times.

F#m A D E x3

[Verse]

I know how it seems when I always sing to myself in public.
I babble on like a mad man.

I know how it seems when I m always staring off into nothing.
I m lost in my head again.

[Chorus]

I m sorry I don t laugh at the right times.

F#m A D E

Is this what it feels like?

[Verse]

I ve got my heart strung up on clothing line through tenement windows in
mid-July.

I ve got my heart strung up on clothing line through tenement windows.

[Chorus]

I m sorry I don t laugh at the right times.

D E F#m A D E
Is this what it feels like with my wings clipped?

F#m A D E
I m awkward and nervous.

F#m A D E
I m awkward and nervous.

It s a little rough at the end, but listen to it and read along and it should be comprehensible.
