Tuning: Standard

Alrite this song has some weird fingerings of the chords so this isn t EXACTLY right, but it should be pretty dam close. Not sure the actual name of the A\* chord, so just check out the chord chart for it below. And for the outro the other chords with a \* are the same formation as the A\* chord. Enjoy!

**F Bb F A Bb**  
You pushed my buttons, started me knowing things I already knew

**F A Dm C Bb**  
How did you understand, with the palm of your ha-----aa----- nd

**Bb C Dm C Bb**  
I guess thatâ€™s what angels can do, angels can do.

**F Bb F A Bb**  
You held my burden, I rested my bones in your arms sweet and true.

**F A Dm C Bb**  
How did you stay so strong, and kiss me so long

**Bb C Dm C Bb C Dm**  
I guess thatâ€™s what angels can do, I guess thatâ€™s what angels can do,  
**C Bb\* Bb7 F Bb\* F Bb\***  
Angels can do, Thatâ€™s what angels can do.

**F Bb F A Bb**  
You pulled my trigger, The song that rang out was so pretty and blue.

**F A Dm C Bb**  
How did you get so wise, with one look in my eyy-----yy-----es.
