Tuning: Standard

Alrite this song has some weird fingerings of the chords so this isn t EXACTLY right, but it should be pretty dam close. Not sure the actual name of the A* chord, so just check out the chord chart for it below. And for the outro the other chords with a * are the same formation as the A* chord. Enjoy!

Intro

F# B* (x2)

F# B F# Bb B
 You pushed my buttons, started me knowing things I already knew
F# Bb Ebm C# B
 How did you understand, with the palm of your ha-----aa----- nd
B C# Ebm C# B
 I guess thatâ€™s what angels can do, angels can do.

F# B F# Bb B
 You held my burden, I rested my bones in your arms sweet and true.
F# Bb Ebm C# B
 How did you stay so strong, and kiss me so long
B C# Ebm C# B C# Ebm
 I guess thatâ€™s what angels can do, I guess thatâ€™s what angels can do,
C# B* B7 F# B* F# B*
 Angels can do, Thatâ€™s what angels can do.

F# B F# Bb B
 You pulled my trigger, The song that rang out was so pretty and blue.
F# Bb Ebm C# B
 How did you get so wise, with one look in my eyy-----yy-----es.
B C# Ebm C# B C# Ebm C#

I guess that's what angels can do, I guess that's what angels can do,
B C# Ebm C# B* B7
I guess that's what angels can do, angels can do,
