

Child Of The Valley
The Wooden Sky

I couldn't find the lyrics online so I had to guess them. I can't guarantee the lyrics but the chords should be good. Enjoy!

Capo 4

[Intro]

Em

[Verse 1]

Em

G

They came all the way from town to see us

Am

C

And I know how you'd hate to let them down

Em

G

But I'd been thinking 'bout the times his hands deceived us

Am

C

And wondering why you ever stuck around

Em

G

You were born a fair hair child of the valley.

Am

C

Though at times felt you were tethered to the ground

[Chorus]

G

You're not a stone

Am C Em

You're not a stone

[Verse 2]

Em

G

I came to know the names of all my neighbours

Am

C

Made a home in a valley of my heart

Em

G

And I took a night the audience with strangers

Am

C

Though not one could ever calm me down

[Chorus]

G

And I felt alone

Am C

And I felt alone

G

Just flesh and bone

Am C

Just flesh and bone

[Instrumental]

Em G C G x4

[Verse 3]

And I came home to find you at my table
Said the worries that had plagued you now were few
And I d been wondering if I had the strength to face it
Son If I ve found mercy surely you can too

[Chorus]

But you re not a stone
You re not a stone
Just flesh and bone
Just flesh and bone

[Verse 4]

Now you hold the hand of one who named you
Turn to me and said you must make these words your own

[Outro]

Em G C G
repeat till finish
