## Child Of The Valley The Wooden Sky

I couldn t find the lyrics online so I had to guess them. I can t guarantee the lyrics but the chords should be good. Enjoy!

Capo 4

[Intro]

Em

[Verse 1]

Em

They came all the way from town to see us

Am

And I know how you d hate to let them down

Em

But I d been thinking bout the times his hands deceived us

Am C

And wondering why you ever stuck around

Em (

You were born a fair hair child of the valley.

Am C

Though at times felt you were tethered to the ground

[Chorus]

G

You re not a stone

Am C Em

You re not a stone

[Verse 2]

čm

I came to know the names of all my neighbours

Am (

Made a home in a valley of my heart

Em G

And I took a night the audience with strangers

Am

Though not one could ever calm me down

[Chorus]

G

And I felt alone

Am C

And I felt alone

G

Just flesh and bone

Am C

Just flesh and bone

```
[Instrumental]
Em G C G x4
[Verse 3]
And I came home to find you at my table
Said the worries that had plagued you now were few
And I d been wondering if I had the strength to face it
Son If I ve found mercy surely you can too
[Chorus]
But you re not a stone
            Am C
You re not a stone
Just flesh and bone
              Am C
Just flesh and bone
[Verse 4]
Now you hold the hand of one who named you
Turn to me and said you must make these words your own
[Outro]
Em G C G
repeat till finish
```
