

Until The Day Dims
The Woodlands

Intro: **C G Am F**

C **G**
That day Saturday took us to your door

Am
Sat in the kitchen with windows

F
Open so wide

C **G**
Slowly candidly words were unfolding

Am
Hands on the table and grasping

F
Comfort our souls

C
And we ll linger

G
Until the day dims

Am
Suddenly leaves us

F
Then we ll go

C
And we ll linger

G
Until the night falls

Am
Flooding the sidewalks

F
Then we ll go

(Intro)

C **G**
We tried not to collide with the moment

Am
Wear it away like a photograph

F
Yellow with time

C **G**
Young spring it can be fleeting we gather

Am
Holding the tones of our laughter

F
Filling the room

C

And we ll linger

G

Until the night falls

Am

Flooding the sidewalks

F

Then we ll go

C

And we ll linger

G

Until the night falls

Am

Flooding the sidewalks

F

Then we ll go

(Intro)

Oh oh oh ohhhh

Oh oh ohhhh

Oh oh ohhhh

Ohhhh

C

And we ll linger

G

Until the day dims

Am

Suddenly leaves us

F

Then we ll go

C

And we ll linger

G

Until the night falls

Flooding the sidewalks
