E F#m G#m A (hold)

E **F#m** **G#m** **A**
I remember we were standing on a street in the rain
G#m **F#m** **E**
Downtown where none of us will be able to afford to live again
E **F#m** **G#m** **A**
You were looking for some cigarettes in your purse and you cursed
G#m **F#m** **E**
And I fell in love to the sound of that obscene and lovely word
E **F#m** **G#m** **A**
You were older, you were vicious, I was young and not suspicious
G#m **F#m** **E**
That I was being f**ked around
E **F#m** **G#m** **A** **G#m** **F#m** **E**
I was I was I won t I don t want to talk about this now
A **E** **A** **E**
Until you see my face ten years don t seem like a long time
A **E** **F#m** **B** **E** **F#m** **G#m** **A** **G#m** **F#m** **E**
But I m older now than you were then when I was your younger man

E F#m G#m A G#m F#m E (horns)

E **F#m** **G#m** **A**
I remember we were running from who you left before me
G#m **F#m** **E**
I remember being dumb and drunk and happy
E **F#m** **G#m** **A**
I remember you squinting as the smoke got in your eyes
G#m **F#m** **E**
And being ID d following you into bars while you stalked other guys
A **E** **A** **E**
Until you see my face ten years don t seem like a long time
A **E** **F#m** **B**
But I m older now than you were then when I, when I . . .

A **E** **A** **E**
ba da ba da...
A **E** **F#m** **B**
ba da ba da...
