Stand Still Look Pretty
The Wreckers

The other versions of this song sounded totally wrong to me, so i made my own
chords. hope you ll like it:)

You can change the **G#** in the verses to an **Fm** if you think that sounds better.

Fm   C#   G#   C#
    I want to paint my face
        Fm   C#   G#   C#
And pretend that I am someone else
Fm   C#   G#   C#
Sometimes I get so fed up
        Fm   C#   G#   C#
I don t even want to look at myself

      Eb   Eb   C#
But people have problems that are worse than mine
        Eb   Eb   C#
I don t want you to think I m complaining all the time
      Eb   Eb   C#
And I hate the way you look at me I have to say
        Fm   C#   G# C# Fm
I wish I could start over

[Chorus]
Bbm   C# G#   Eb
    I am slowly falling apart
Bbm   Bbm   G#   Eb
I wish you d take a walk in my shoes for a start
Bbm   C#   G#   Eb   Bbm
    You might think it s easy being me
        C#(Strum and hold)
You just stand still, look pretty

[Verse]
    Sometimes I find myself shaking
In the middle of the night
And then it hits me and I can t
Even believe this is my life

But people have problems that are worse than mine
I don t want you to think I m complaining all the time
And I wish that everyone would go and shut their mouths
I m not strong enough to deal with it

[Chorusx2]
