55 BPM - Keys of E Flat and A flat

[Intro]

Bb

[Verse 1]

Eb

You promised me roses

Вb

When you came around

F

There was nothing but weeds here

Bb

Growing out of the ground

Eb

I ve given you this

Bb

And I ve given you that

F

I m givin all my love to

F

Someone who won t give it back

[Chorus]

F Eb

I m planting flowers on a gravel road

Bb

Waiting on a bloom

F

Trying to make a garden grow

Bb

Where nothing ever grew

G# Eb

I give you my attention

Bb Adim Gm

I keep you from the cold

Eb

But I might as well be planting

? B

Flowers on a gravel road

```
[Verse 2]
Eb
                        G#
Well, this just ain t working
That much I know
            Вb
If I didn t love you
        Gm
I could just let it go
                       G#
So when you feel like trying
               Eb
And talking to me
                        Bb
Go to the rock and the hard place
 Cause that s where I ll be
[Chorus]
                           G#
I m planting flowers on a gravel road
Waiting on a bloom
                 Вb
Trying to make a garden grow
Where nothing ever grew
                  C#
                      G#
And I give you my attention
                    \mathbf{E}\mathbf{b}
                            Вb
                                  Cm
I keep you from the cold
But I might as well be planting
Flowers on a gravel road
Eb G# Bb Eb Bb
[Verse 3]
                     Eb
I don t know what s sadder
Fact you don t care
Or the fact of the matter
That I m getting nowhere
```

```
Eb
```

Running in circles

Bh

And chasing your heart

F

I can t seem to stop now

Cm F

Why did I ever start?

[Chorus]

Eb

I m planting flowers on a gravel road

Bb

Waiting on a bloom

F

Trying to make a garden grow

Bb

Where nothing ever grew
