Intro : (Sem vocal)

Baixo :

You ve applied the pressure
To have me crystalised
And you ve got the faith
That I could bring paradise

I ll forgive and forget
Before I m paralysed
Do I have to keep up the pace
To keep you satisfied?

Things have gotten closer to the sun
And I ve done things in small doses
So don t think that I m pushing you away
When you re the one that I ve kept closest

Refrão + Verso

You don t move slow
And taking steps in my direction
The sound resounds, echo
Does it lessen your affection? No

You say I m foolish
For pushing this aside
But burn down our home
I won t leave alive

Glaciers melt into the sea
I wish the tide would take me over
I ve been down on my knees
And you just keep on getting closer

Glaciers melted to the sea (things have gotten closer to the sun)
I wish the tide would take me over (and I ve done things in small doses)
I ve been down on my knees (so don t think that I m pushing you away)
And you just keep on getting closer (when you re the one that I ve kept closest)

Baixo:

Go slow
Go slow
Go slow
Go slow
Go slow
