(E F# Abm)  
Please don't say we're done  
When I'm not finished  
(Abm F# E)  
I could give so much more  
(E F# Abm)  
Make you feel, like never before  
(Abm F# E)  
Welcome, they said welcome to the floor

(E F# Abm)  
It's been a while  
And you've found someone better  
(Abm F# E)  
But I've been waiting too long to give this up  
(E F# Abm)  
The more I see, I understand  
(Abm F# E)  
But sometimes, I still need you

(E B)  
Sometimes, I still need you  
(Abm B)  
Sometimes, I still need you  
(E B)  
Sometimes, I still need you  
(Abm B)  
Sometimes, I still need you

And I was struggling to get in  
(Abm B)

Left waiting outside your door

(E B)

I was sure

(Abm B)

You d give me more

(E B)

No need to come to me

(Abm B)

When I can make it all the way to you

(E B)

You made it clear

You weren t near

(Abm B)

Near enough for me

E Abm B Abm
