I don t have to leave anymore
C#m B E
What I have is right here
Abm B F# E
Spend my nights and days before
C#m E
Searching the world for what s right here
Abm F# E
Underneath and unexplored
C#m B E
Islands and cities I have looked
Abm B F# E
Here, I saw
C#m E
Something I couldn t over look

E
I am yours now
Abm
So now I don t ever have to leave
B
I ve been found out
C#m E
So now I ll never explore

Abm B
See what I ve done
C#m
That bridge is on fire
E Abm F#
Back to where I ve been
E
I m froze by desire
No need to leave

Abm B

Where would I be

C#m

If this were to go under

Abm F#

That s a risk I d take

E

I m froze by desire

As if a choice I d make

E

I am yours now

Abm

So now I don t ever have to leave

B

I ve been found out

C#m E

So now I ll never explore

E

I am yours now

So now I don t ever have to leave

I ve been found out

C#m E

So now I ll never explore
