

On Hold
The xx

C
I don t blame you
Em
We got carried away
Am
I can t hold on
F
To an empty space

C
Now you ve found a new star to orbit
Em **Am**
It could be love, I think you re too soon to call us old
F
When and where did we go cold?
C
I thought I had you on hold

Em
And every time I let you leave
Am
I always saw you coming back to me
F
When and where did we go cold?
C
I thought I had you on hold

C
Where does it stop, where does it stop, where do you dare me to?
Am
You ve got the body, you ve got the body, dare me to, dare me to
F
Where does it stop, where does it stop, where do you dare me to?
D5
You ve got the body, you ve got the body, I thought I had you on hold

C
Where does it stop, where does it stop, where do you dare me to?
Am
You ve got the body, you ve got the body, dare me to, dare me to
F
Where does it stop, where does it stop, where do you dare me to?
D5
You ve got the body, you ve got the body, dare me to, dare me to

C
My young heart chose to believe

G

We were destined

Am

Am/B

Young hearts all need love

C

Call it a lesson

C

The stars and the charts and the cards make sense

G

Only when we want them to

Am

Am/B

When I lie awake staring into space

C

I see a different view

C

Now you've found a new star to orbit

Em

Am

It could be love, I think you're too soon to call us old

F

When and where did we go cold?

C

I thought I had you on hold

Em

And every time I let you leave

Am

I always saw you coming back to me

F

When and where did we go cold?

C

I thought I had you on hold

Em

I thought I had you on hold

Am F

I thought I had you on hold

C

Where does it stop, where does it stop, where do you dare me to?

Am

You've got the body, you've got the body, dare me to, dare me to

F

Where does it stop, where does it stop, where do you dare me to?

D5

You've got the body, you've got the body, you've got the body, you've got the body

C

Where does it stop, where does it stop, where do you dare me to?

Am

You've got the body, you've got the body, dare me to, dare me to

F

Where does it stop, where does it stop, where do you dare me to?
D5

You've got the body, you've got the body, dare me to, dare me to

C **Em**
And every time I let you leave
Am

I always saw you coming back to me

F
When and where did we go cold?

C
I thought I had you on hold

Em
I thought I had you on hold

Am **F**
I thought I had you on hold
