

Our Song

The xx

**A**

All I have

**A**

I will give to you

**A Bm**

In the times when no one wants to

**F#m**

I will give you me

**Bm**

And we ll be us (2x)

**A**

And there s no one else

**Bm**

Who knows me

**A**

Like you do

**Bm**

What I ve done

**A**

You ve done too

**Bm**

The walls I hide behind

**A**

You walk through

**Bm**

You just walk through

**A**

Well I know all the words

**Bm**

To take you apart

**F#m**

You know I know your heart

**Bm**

I want to mend your heart (2x)

**A**

And there s no one else

**Bm**

Who knows me like you do

**A**

What I ve done

**Bm**

You ve done too

**A**

The walls I hide behind

**Bm**

You walk through

**A**

You just walk through
