

Shelter

The xx

[Intro]

Em C (2x)

[Verse 1]

C Em
I find shelter in this way

C Em
Under cover, hide away

C Em
Can you hear when I say

C Em
I have never felt this way

[Chorus]

C Am
Maybe I had said something that was wrong

Em G
Can I make it better with the lights turned on

C Am
Maybe I had said something that was wrong

Em G
Can I make it better with the lights turned on

[Instrumental]

C Am Em G

[Verse 2]

C Em
Could I be, was I there

C Em
It felt so crystal in the air

C Em
I still want to drown whenever you leave

C Em
Please teach me gently how to breathe

[Interlude]

Em C
And I ll cross oceans like never before

Em C
So you can feel the way I feel it too

Em C
And I ll send images back at you

Em C
So you can see the way I see it too

[Chorus]

Maybe I had said something that was wrong
Can I make it better with the lights turned on
Maybe I had said something that was wrong
Can I make it better with the lights turned on

[Outro]
