Intro: **G7**

Verse:

G7

Little games are for little boys,
I m growing up and changing all my toys,
Aeroplanes, motor cars, goldfish in old jam-jars,
I just don t play these games no more.

Little games are for little boys,
Loving games are for bigger boys,
Parties in Chelsea flats,
Mixing with kinky cats,
Are games I wanna play some more.

Chorus:

Bb **D#** **Bb** **D#**
Ooh, what they re doing to me,
Bb **D#** **Bb** **D#**
Darling it s so plain to see,
C **Dm**
My temperature s rising,
E **F**
But that s not surprising,
E **G** **C**
When you do what you do to me.

Verse2:

C
Little games are for little boys,
I found out there are other joys,
Marjory, Josephine, Susie and Catherine,
They help me in my little games.

Bridge:

Chorus2:

Bb **D#** **Bb** **D#**
Ooh, what they re doing to me,
Bb **D#** **Bb** **D#**
Darling it s so plain to see,
 C **Dm**
My temperature s rising,
 E **F**
But that s not surprising,
 E **G** **C**
When you do what you do to me.

Verse3:

C
Little games are for little boys,
I found out there are other joys,
Marjory, Josephine, Susie and Catherine,
They help me in my little games.

Bridge:

G G F G x2

G **F G**
My, my, my, my, my, my, my,
Play my little games,
My, my, my, my, my, my, my, my, my,
Say I need you, I need you...

Note: verses are played on only one chord, you could probably stick another chord in
but that would ruin the whole sound of the song, and you don t wanna mess with geniuses :)
