Darkness, Darkness chords
The Youngbloods (Jesse Collin Young)

Am D Am G D 2x *

Am   D   Am
Darkness, darkness be my pillow;
        G   D
take my head and let me sleep
                            Am
In the coolness, of your shadow;
      G   D
in the silence, of your deep

D   G   D
Darkness, darkness hide the yearning;
        G   D
for the things, that can not be
        Am   D
Keep my mind, from constant turning;
            G   D
towards the things, I can not see, now;
G   D
things I can not see, now;
G   Am D
things I can not see

Am   D   Am
Darkness, darkness long and lonesome;
        G   D
ease the day, that brings me pain
                        Am
I have fell, into the sadness;
    G   D
I hide to trick the fear

D   G   D
Darkness, darkness be my blanket;
      G   D

```
cover me, with your endless night
        Am                       D
Take away take away the pain of knowing;
          G               D
fill the emptiness, so bright now
G               D
emptiness, so bright now
G               Am D
emptiness, so bright

solo

D          G               D
Darkness, darkness be my pillow;
        G                   D
take my head and let me sleep
        Am                  D
In the coolness, of your shadow;
         G                  D
in the silence, of your deep

D          G               D
Darkness, darkness be my blanket;
        G                     D
cover me, with your endless night
        Am                       D
Take away take away the pain of knowing;
           G               D
fill the emptiness, so bright now
G               D
emptiness, so bright now
G               D
emptiness, so bright
     G          Am
Oh, yeah Oh, yeah
D             Am
Emptiness, emptiness
G    D
Oh, yeah
