The Youngbloods Fooling Around written by Jesse Colin Young

D G D
Lonely and low soft and low the evening settles down
D G D A
In my heart lonliness black clouds surround me
D Bm
I ain t got time for I ain t got time for
G A G A G D
Fooling around fooling around with you
D G D
Hot and cold bought and sold my eyes couldn t see
D G D A
In these eyes lonliness warmth could never be for me
D Bm
I ain t got time for I ain t got time for
G A G A G D
Fooling around fooling around with you
D G D G D
Bright and bold young and old morning comes again
D G D A
In my heart lonliness the pain that never ends never ends
D Bm
I ain t got time for I ain t got time for
G A G A G D
Fooling around fooling around with you
