

Cosmetic Couple
The Zeros

A5 **C5** **D5**
when it gets dark we all come out
A5 **C5** **D5**
looking for love and ready to rock out
A5 **C5** **D5**
and we look so pretty so so dressed up
A5 **C5**
and we walk the city so so messed up
E5 **D5** **C5**
the fat chicks in the silver lame
E5 **D5** **C5**
the punks in their black berets
E5 **D5** **C5**
we look like lovers to complete the crowd
E5 **D5** **C5**
we want music need the volume loud

I don t think this is exactly how the Zeros played it, but this is how I do and it perfect. The key was probably different. The solo-

```

g-----9-9-----|
d--11-11-9-9-9h11-9s7-7-7-11-11-9-9-9h11-9s7-7-7-11-11-11----9s7-7--|
g-----|
d--11-11-9-11-9s7-7-----|

```

followed by some weird minor sounding crap no one needs to know. the solo is the same as the chorus; I like to add a G5 to the chorus riff like in the third measure of the solo.

cosmetic couple we make a good pair
spike heeled shoes and platinum hair
spotlights take a walk under the towers
all romances last a couple of hours
on friday night when it gets so cold
we walk down the street feeling so bold
we re full of speed and we re full of passion
and we re showing off all the latest fashions
????
just another downtown surprise
devil city music across the street
breath the smoke and feel the heat
cosmetic couple we make a good pair
spike heeled shoes and platinum hair

spotlights take a walk under the towers
all romances last a couple of hours
cosmetic couple we make a odd pair
spike heeled shoes and platinum hair
spotlights take a walk under the towers
all romances last a couple of hours
